Jun 10, 2018 - I was wondering if there was a way to get the Ti-nspire CAS software for free? I have been using the CAS software to learn how to program certain ... The software is just a free website that I have never used, and I find it very annoying. How can I find out what the software is and why it is in the toolkit. It's not very convenient, but I can't find it. You really don't need to use the Ti-Nspire CAS software unless you want to use it as a teaching tool
